## GROVES CHRISTIAN COLLEGE

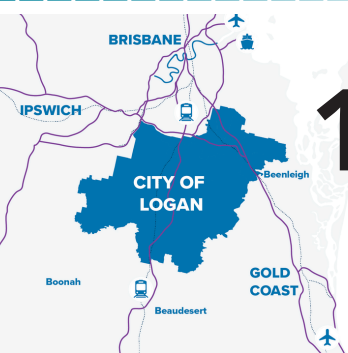

### MATTHEW 5:14-16

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

"Would you be able to come tomorrow again?"

# HOURS SERVED

A team of students from Groves volunteered at Harris Fields State School today. They worked selflessly, cleaning many parts of the school. Additionally, some students were assigned to classrooms where they taught prep and grade 1 students, and assisted the teacher with various tasks. The staff at the school were very grateful for our assistance and appreciated our day of volunteering.

Can I just extend my gratitude to you and your school team – students and staff. We truly appreciated having you out and about in our school. We value the community service and hope your students enjoyed this experience at the 'Fields'. Have a lovely end of year
